

A Second Chance... An Inspirational Journey through the Eyes of an Animal Shelter Volunteer was created to give back to those that work and give unconditionally towards making a positive change in animal rescue and welfare. With beautiful photographs and quotes from some of the greatest names in history including Napoleon Hill, Mark Twain, Buddha, Vincent Van Gogh, Eleanor Roosevelt, Maya Angelou and many more, this book will enlighten your mind and lift your spirits. This book was created to inspire, to let the reader see what is in the eyes of the animals in our local rescue organizations. This book was not intended to be depressing, but on the contrary, to inspire and motivate. You will see it in the photos of the volunteers, staff, foster families and others who give their time and love to these animals, you will see it in the faces of the dogs and cats in their care. This book will touch the hearts of many and is a beautiful depiction to animal lovers, inspirational, self-help and motivational readers alike. Yes, you too can make a difference in the lives of these animals; it only takes a moment to open your heart. Until they find their forever home...
