

Excerpt from Annual Report of the Board of Cattle Commissioners of the Commonwealth of Massachusetts: In Accordance With Section 51 of Chapter 491 of the Acts of 1894; January 11, 1899 To the Honorable Senate and House of Representatives. The Board of Cattle Commissioners do hereby present their annual report of the work done by them during the year 1898, as provided for in section 51 of chapter 491 of the Acts of the year 1894. At the beginning of the year 1898 the Legislature appropriated \$20,000 for the temporary carrying on of the work until a further appropriation could be made, and from that time until the beginning of April the work was continued on the same basis as in 1897, viz.: -First. - The supervision and direction of the work of the local inspectors appointed by the cities and towns under the provisions of chapter 491 of the Acts of 1894, and the examination of all animals quarantined by them as suspected of being afflicted with a contagious disease. Second. - The examination of cattle coming into the markets at Brighton, Watertown and Somerville from without the State for sale, and the examination and identification of cattle coming from without the State upon special permit. As heretofore, under section 1 of chapter 491 of the Acts of 1894, the mayor and aldermen of cities and the selectmen of towns must appoint one or more persons to be inspectors of animals and provisions. These inspectors must make regular and thorough inspections of all neat cattle, sheep and swine found within the limits of their several towns, when ordered to do so by the Board of Cattle Commissioners.
