

Compiled by expert travel writers, based full- or part-time in the countries and regions they write about, DK's new Back Roads series uses in-depth local knowledge to create driving tours full of original ideas for activities, off-the-beaten-track stops, and authentically native places to eat and to stay. Taking travelers off the main roads and into the real life of a country, each title in DK's new Eyewitness Back Roads series contains up to 25 drive routes lasting from one to seven days. From intimate hotels and guesthouses to the most charming restaurants and bars specializing in seasonal dishes and regional produce, each drive has recommendations for places to spend the night, dine, and sightsee along the route. A companion series to the Eyewitness Travel Guides, the books can be used in conjunction with existing guides or on their own. Each guide has a pull-out road map for easy navigation between drives and all the practical information you need, from road conditions and the length of the drive to parking information and opening hours of restaurants and attractions.

Alice Springs: Retratos (Portraits), Die Ezb Im Rahmen Der Eurokrise. Erfüllungsgehilfe Einer Feigen Europapolitik? (German Edition), J. S.
