

An electronic edition of British Medical Association Family Medical Guide. This CD-ROM offers guidance and information on medical issues as the book did, but adds interactive elements too. A diagnostic symptoms chart aims to help the user assess symptoms, and there are over 60 animations and video clips which illustrate how the body works and demonstrate common medical procedures. Interactive hypertext enhances cross-reference, enabling the user to travel to related topics and explore specific subjects of interest. This CD-ROM includes a free trial subscription to an online healthclub for hints on healthy living for all the family.

The Retail Store: Design and Construction, Last Born #2, Heroine of the Desert, The View From Under the Desk: Memoirs of a White House Intern, Mary Elizabeth Garrett: Society and Philanthropy in the Gilded Age, Capitalizing on Nature: Ecosystems as Natural Assets, Theoretical Anthropology,
