

Lauren Brooke brings the emotional depth of Heartland home with the third title in her exceptional new boarding school series, Chestnut Hill. As the girls of Chestnut Hill become closer, they learn more about one another's lives before boarding school. But Honey has a secret too close to her heart to share. She hasn't told anyone yet that she has a twin, so how can she bring him up now, when he's so sick? Then, when Patience's new pony, Minuet, is injured, Honey finds herself wanting to nurse the mare back to health. She pours all of her emotion into caring for the pony, even though she knows Minuet will never be her own. No one understands her dedication to Minuet, least of all Honey herself.
