

Making Twisted Decisions is the second in a three part series. It picks up where In Twisted Company leaves off. We find our characters three years down the road, still living in active addictions and making decisions which carry greater consequences. You will laugh with them, cry with them, and wonder what comes next as they bumble their way through life. It is real, tragic and hilarious all at the same time. Due to the adult nature of this book, it is not recommended for children under the age of eighteen.
