

Marketplace Transformationâ€™Divine Shift to Global Re-sponsibility presents a model for current and future marketplace leaders and Kingdom entrepreneurs. It expounds the technology, architecture, and rationale of these corporate giants and monetary warriorsâ€™and encourages you to become one. A Daniel leadership is on the horizon with guts and resolve to withstand and destroy the works of the devil. These leaders will correct government bureaucracy, search out and produce solutions, give wise and trusted advice, bring clarity, and make informed business and political decisions. These believers will not be led by their intellectual strength or business acumenâ€™but by the very hand of God. This wide and all-inclusive dominion, including the authority that is sunk in heathenism, is to be given on the condition that you will â€™askâ€™ for it. Nothing short of the whole earth is accurate dominion. You can assume your vanguard position today!
