

This book is a shortened version of our popular "Sharks: Chompers of the Sea" and is intended for beginning readers. With only 787 easy to read words, young children can experience for themselves the joy of learning about sharks. They will find out: Does a shark have more or fewer fins than a fish? Which fin moves the shark forward? How long can it take a shark to go through a whole set of teeth? What does a shark's skin feel like? And many more! LearningIsland.com believes in the value of children practicing reading for 15 minutes every day. Our 15-Minute Books give children lots of fun, exciting choices to read, from classic stories, to mysteries, to books of knowledge. Many books are appropriate for hi-lo readers. Open the world of reading to a child by having them read for 15 minutes a day. For Beginning Readers: Ages 6-7 787 words
