

Author and poet Carolyn Plesa, along with illustrator Susan Blakeley Lambert, are releasing a new colorful childrens picture book. Its the story of a little kitty, Peanut, and her hospital stay. Hopefully by reading Peanuts story with their parents or caregivers, children about to make a journey to a hospital can become more relaxed about their stay. Peanuts story is short, friendly, and happy. The message to all children is that they too can triumph over their illness and that they too can get better. Remember; if Peanut can do it, so can you... Peanuts Hospital Visit is the second childrens book by Carolyn Plesa. Her first book, Travels with Yukon, was met with great success. Ms. Plesa, credits her family pets for her impersonation to write young adult books. The true stories of her rescued cats and dogs, blended into her life, jump to life from her thoughts, to her blank sheets of paper, to books held by young adults.
