

Old legends told a tale of a pirate curse placed on the town of Mystic Harbor, death to anyone on the beach the night of the anniversary of the pirate Tristan Hamiltons death. The fog, thick and white, rolls in from the sea at midnight. Michaela tries to outrun it, but it was too quick for her. When she awakens, she finds more than she bargained for aboard Tristan Hamiltons ship. Tristan Hamilton, a legendary pirate, doesnt know what to make of the strange lass aboard his ship. Where did she come from? Through dangerous waters and pirates, Tristan and Michaela form a deep and passionate love that would stand the test of time. Looming over them, besides the dangers that threaten their love, is Michaelas knowledge of his history and future. Will she let history take its course or alter it and risk a possible paradox in her own time?

Categories: Historical Time Travel ROMANCE Word Count: 62,000 This is one of my favorite stories and was a lot of fun to write. First, I asked myself this question: What would I do if I could go back in time? Would I stay or return to my own time? If I were Michaela™s place, I would definitely stay with Tristan. Who doesn™t love a sexy pirate? ~Tracy~
