

Book 1 of the Guardian Pack Series: It has been fifty years since the Great War between paranormals and the human race. A time when sanctuary packs like the Windy River Pack would seem to be unnecessary. However the arrival of a wrongly accused rogue and his younger brother will be the beginning of something evil that up to now has been hiding from view. Grant Walker is the Alpha of the Windy River Pack. At one time he had been an undefeated warrior who stood by the former Alpha, his father's side during the Great War. He is in charge of one of the largest packs in the United States and continues to offer sanctuary to any who seek it. But now with a missing pack member and the threat of a rogue coming into his territory, a rogue that he finds out is his mate, Grant will have to fight not only to save his pack and mate, but to also prevent another war. Ricky Landon and his younger brother Sandy are on the run from their former abusive alpha and pack. Declared rogue for daring to escape from a life of slavery and sexual abuse, Ricky runs toward the only place he feels he and his brother can be safe, a sanctuary called Windy River Pack. Confused by the strange tattoo that was placed on his arm by a Shaman and fueled by the need to protect his younger brother the last thing he wants is a mate. Can the two be mated or will Ricky's former Alpha be able to reclaim what he considers his property? Warning: This book contains references to nonconsensual sex
