

For generations the Great Feast has been anticipated by the immortals living in the celestial Garden. But the feast also marks a new era for all of mankind. Now that the time has come, seventeen-year-old, immortal Coco Babin and her cousin Jense Reed find themselves facing many new uncertainties. Will they finally be reunited with their mortal families? Will the people they love join with the enemy forces, or will they, too, be invited to celebrate at the Great Feast?
