

Topsy-Turvy Tracy is an adventurous girl. She goes on safari to find lots of bugs. Big ones, small ones---it doesn't matter what kind, but somehow Tracy ends up hanging upside-down. Of course, she finds a way to make it fun, but soon realizes it's better to hunt bugs with both feet on the ground. Children will love this funny, rhyming tale about a little girl named Tracy and her upside-down world. And just like Tracy, children will learn that God planned it best when he made the world right side up.
