

In this ambitious and far-reaching new historical novel, *The Mandrake Broom*, Wells dramatizes one woman's courageous fight to save medical knowledge during the witch-burning era. Set in Europe in 1465-1540, *The Mandrake Broom* follows Luccia Alimenti as she fights the forces that attempt to keep medical knowledge out of the hands of women. Daughter of a medical professor at the University of Salerno, Italy, Luccia is destined to carry ancient texts and herbal lore into the dangerous and groundbreaking future.
