

Vic Dark is a deeply terrifying man. He has spent nineteen years inside for armed robbery, and throughout his life of crime he has been convicted for stabbing and shooting. His criminal record is an awesome document: but the truth about his real-life exploits are far, far more sinister. This is a book that encompasses every branch of the criminal world: robbery, guns, kidnapping, even murder. Vic Darks life will leave you breathless with excitement; his violence will shock you. He tells of his work as the enforcer for Londons most feared gangsters, of his life inside where he was rated the hardest man in Parkhurst, and of the robbery which ended with Vic taking a policeman, a pyjama-clad Irish man and a Chinese chef hostage in a police car!
